

FOOD PANTRY

Food Pantry

We have seen a marked increase in the number of households being served through our food pantry and the cost of food has nearly doubled in the last two years. Government food benefits have been cut, prices are up, people are suffering, and we are struggling to keep up! At the end of May we had a deficit of over \$600. We are adjusting the contents of the emergency food bag and creating ways to increase donations. We appreciate your help and your prayers.

July

During the Mission Committee meeting on Tuesday, June 20th we were discussing the Food Pantry and it's needs. Dianna Minick volunteered to check into getting some food at discounted prices from manufacturers and other sources. The next day she was able to acquire, at a large discount, some very nice food products.

The products were as follows
all for \$20:

- 5 cases of Cereal
- 5 cases of Soup
- 10 cases of oatmeal
- 2 mystery cases.

Thank you Dianna, , and first and foremost Thank You God for the blessings which you bestow upon us!

Philippians 4:8 KJV

[8] Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.
